RE: Industrial Wastewater Discharge Permit 433.051

Ex. 6 PP / Ex. 7(C)

This letter is the official notification that SoloPower Systems' Industrial Wastewater Discharge Permit (IWDP) 433.051 was revoked on January 24, 2019. As such, SoloPower Systems is no longer authorized to discharge non-domestic wastewater to the City of Portland (City) sanitary sewer system. The decision to revoke IWDP 433.051 is based on the following factors; SoloPower systems has closed their facility at 6308 N. Marine Drive Portland, OR 97203 and has ceased all 40 CFR 433.17 categorical operations.

Any wastewater generated at 6308 N. Marine Drive Portland, OR 97203 after January 24, 2019 is still subject to the limitations established Portland City Code chapter 17.34 and associated Administrative Rules. If you have any questions or concerns, you may contact me at (503) 823-5692 or Nicholas.Cisney@portlandoregon.gov

Sincerely,

Nick Cisney
Permit Manager
